Bring this list with you and let us prove every assertion. NO GOODS CHARGED. Our sole object in making these low prices is to get the cash

YOU all know the dependability of our merchandise and that in our five years business success in Mexico we have never deviated from our outlined principle of High Quality, Low Price, and one price to all. During this sale every article will be marked in plain figures—old price and new—and we will cheerfully refund the money on any purchase that is not satisfactory. Let us impress upon you the fact that this entire \$30,000 stock is new clean merchandise bought for this season's selling and it is only the backward season and our pressing need of cash that forces us to sacrifice the goods. The sale will last exactly 10 days, commencing Saturday morning, December 14, at 9 o'clock and closing Christmas eve, the 24th. Watch the date like you would a circus and come early. The best will go first—it always does.
